

Tooling List

Subsea Americas is committed to providing our clients with quick solutions for their top-side and subsea projects. We have a full suite of tooling available to rent, in house design center, in house machine shop, rental buoyancy and manufacturing of custom buoyancy blocks for sale.

Contact us today for a custom solution to your project. Equipment is supplied as a complete suite including basic spares kits, electronic support components, buoyancy, and all associated hydraulic hoses & cables where applicable unless otherwise specified

Rental Tooling

Torquing / Valve Override

- Class 2-4 Torque Tools
- Class 5 Torque Tools
- Class 6/7 Torque Tools Hydraulic
- Class 5 Adaptor to deliver 10K ft-lb drive
- Class 7 Bowtie Adapter for torque tools
- Top-side Verification Units that Cover CL4,5,6,7 & Bowtie Drives
- Class 4 Subsea Torque Verification Units
- Linear Valve Override Tools
- Manipulator Operated Torque Limiting Tools
- 17H - 17D Torque Tool Nose Adapter
- Heavy Duty Flying Lead Orientation Tools
- CL4 Pineapple Tools
- Pneumatic RAD Guns for Class 4-5 Buckets
- Pneumatic Class 6/7 Torque Tools for SITs
- MQC Plate Extraction / Pulling Tools

Subsea Cutting / Gripping / Milling

- Goliath Subsea ROV controlled Reciprocating Saw Cut Range 8-30"
- Subsea Pipe End Prep Tools
- Stanley GR 29 Grinders
- 75MM Wire Rope Cutters
- 38MM Wire Rope Cutters
- 155MM Cable Cutter
- 10k Mini-Booster Panel
- Super Grinders with up to 20" Cutting Blades
- Soft Rope Cutters
- 10 Ton Pipe / Cable Grapple

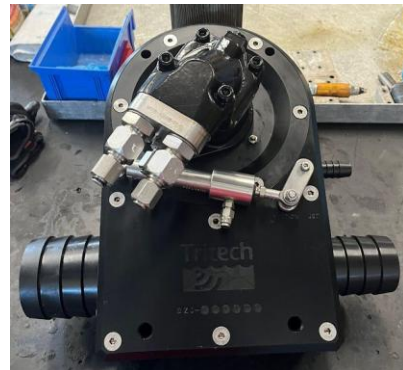

Subsea Cleaning

- Marine Growth Water Blasters
- Hydraulic Multi-Purpose Brush Tools
- Hydraulic Hub Cleaning Tools
- 17H Dual Port Receptacle Cleaning Tool
- Super Zip Jet

Pumping / Injection Systems

- Passive Die Injection Units
- 10k, 15k & 20k Multi Fluid Pumps
- TriTech Super Zip Pumps

Suction Pile

- AZ 10 Suction Pile Kits
- AZ 20 Suction Pile Kits
- 3" LP Suction Pile Hot Stabs

Hot Stabs

- 17H Dual Port Male Hot Stabs & Receptacles
- 17H Quad Port Male Hot Stabs & Receptacles
- 17D Single Port Male Hot Stabs & Receptacles
- Piper 2" Hot Stabs & Receptacles
- Moffat & FES 2" Male Hot Stabs & Receptacles
- Blue Logic 3/4" Port Height Flow Valve Stabs
- 2" & 4" Flooding and Hydro Testing Stabs
- Hot Stab Pullers & Extraction Tools

We also have a large selection of hard to find and rare hot stabs in stock

Other Tooling

- Modular Buoyancy 186-1304 lbs. Configurable Lift
- API CL4 Torque Bucket Gauging Tool
- ISO Docking Beams
- Pollution Domes
- ROV operated Chain Hoists - 10t
- 40 Gallon Backpack MEG Bladders
- Torpedo Buna Bladders
- Firestone Bladders
- 10K, 15k, 20k Back Seal Test Panels
- 20hp 3000psi HPU for SIT work.
- Portable Mini 10k Pneumatic HPU
- Manipulator Operated DCV packs (for custom tools)

Machine and Repair Shop

- Quick Turnaround for Tooling Repairs
- ROV Tooling Design & Engineering Services
- ROV Tooling Repair & Upgrade Services
- ROV Tooling Technicians (Onshore SITs)
- Hydro Testing of Hot Stabs / Receptacles
- Hydro Hose Pressure Testing

Buoyancy

- Rental Modular Buoyancy 186-1304 lbs. Configurable Lift
- Rental Tooling Buoyancy
- Rental 125lb Lift Rigging Blocks
- Rental Clump Weights for SFL Installation
- Buoyancy Skid Design
- Custom Buoyancy Sales
- Survey Marker Buoys with 3/4" Hole (in stock ready to ship)
- Odom Weights
